Haakon County

6 N Kirley	06	1608MST			0	0			Thunderstorm Wind (G52)
------------	----	---------	--	--	---	---	--	--	-------------------------

A line of strong thunderstorms developed from northwest to south central South Dakota during the late afternoon hours. Strong winds were the main hazard from these storms, blowing trees and a pole barn over in Perkins County. Pea size hail with drifts of three to four feet deep were reported in Haakon County.
